COVID-19 TESTING

To travel: <https://www.argentina.gob.ar/interior/migraciones/ddjj-migraciones>

All travelers can enter Argentina and must complete electronic "sworn statement" [DDJJ form](#) 48h in advance of departure and have a **health Insurance** with comprehensive cover for coronavirus, including hospitalisation and the costs of self-isolation and medical transport services for positive and suspected cases, as well as for close contacts. Players who have not completed a full course of vaccination (including booster) must take a Covid Test within 24 hours of arrival in Argentina.

As countries now gradually relax their covid-19 entry regulations, we advise you to check with your airline whether any documentation may be required before boarding.

***** PLEASE NOTE THE IMPORTANT INFORMATION BELOW *****

Please note the following changes regarding new covid-19 protocols at Challenger Tournaments:

The ATP will no longer test players/support team members at Challenger tournaments unless they become symptomatic. This includes players/PSTs who have not completed a full covid-19 vaccination schedule. Likewise, the requirement for a pre-competition test is no longer required. Please note local/national authorities may still mandate covid-19 testing for entry into a country or competing.

All PST members are subject to the same protocols as players

IMPORTANT ADDITIONAL INFORMATION

PLEASE NOTE: Border restrictions may apply. Before entering these events, all players should check with their local Consular service to confirm if they will be permitted to enter the country and if any special authorizations are required.
