COVID-19 TESTING			
To Travel: The rules for entry into Italy have been updated and simplified. The ordinance dated 22 February 2022, unified the regulation of entry from both European Union countries and non-EU countries. When entering Italy, travelers are required by law to: • complete the passenger locator form before departure • have one of the COVID-19 green certificates or other certification recognized as equivalent (completion of vaccination series or recovery or swab test) Players/PSTs are responsible for checking with the Consular Section of the country of destination if their recovery certificate will be accepted. https://www.dgc.gov.it/web/faq.html Note: a ‘Super Green Pass’ showing a full course of vaccination or proof of recovery (less than 6 months) is mandatory to access locker rooms and indoor gym/warm-up area. *** PLEASE NOTE THE IMPORTANT INFORMATION BELOW *** Please note the following changes regarding new covid-19 protocols at Challenger Tournaments: The ATP will no longer test players/support team members at Challenger tournaments unless they become symptomatic. This includes players/PSTs who have not completed a full covid-19 vaccination schedule. Likewise, the requirement for a pre-competition test is no longer required. Please note local/national authorities may still mandate covid-19 testing for entry into a country or competing. <u>The number of Player Support Team Members (PST) eligible to obtain an accreditation is strictly limited to two (2) per player. All PST members are subject to the same protocols as players.</u>
