Q6: WHAT IS THE PROTOCOL IN THE USA FOR PERSONS WHO HAVE A POSITIVE TEST RESULT AND IDENTIFIED CLOSE CONTACTS?

A6: *Please be advised that this is purely informative and is subject to change. Local health officials have the authority to decide the protocol to follow on each case.

Positive Test Result

The local public health authority dictates that each individual who tests positive for COVID-19 quarantine in his hotel room for five (5) days after his first symptoms began in addition to being asymptomatic for at least 24 hours. If there were no symptoms isolation ends in five (5) days.

Close Contact

If you are identified as a Close Contact, you will need to self-isolate for five (5) days. Fully vaccinated individuals will not be considered a close contact.

Q7: WHAT ARE THE DETAILS OF THE ATP TESTING EXEMPTION PROGRAM TO BE APPLIED IN DALLAS?

- A7:
- Initial exemption from ATP COVID testing is for 90 days from the date of the first positive PCR test. (For example, a player who tested positive for COVID-19 with a valid laboratory PCR test on December 10, 2021, would receive an exemption from ATP testing until March 10, 2022). This exemption can only occur after submitting the test via email to Todd Ellenbecker: Todd.Ellenbecker@ATPTour.com.
 - At that time, the individual returns to the ATP testing programme.
 - This exemption programme is the same for players, player support team members, and tournament staff.
 - Fully vaccinated individuals are required to be tested only upon arrival at the tournament and are exempt from follow up testing unless they develop symptoms consistent with COVID-19.

If you have any questions or need clarification of this exemption programme, please email Todd Ellenbecker: Todd.Ellenbecker@ATPTour.com.

Q8: WHAT ARE THE NEW LIST MANAGEMENT PROCEDURES?

A8: Since February 2021 ATP has adjusted the List Management procedures for all Tour and Challenger level events due to an increase in government-imposed travel restrictions.

KEY INFORMATION

- Once the acceptance lists are finalised, lists will be frozen until **Tuesday, 12 Noon, Eastern Time, USA** the week before the tournament
- Any player that cannot enter the tournament's country by the Freeze Deadline because of government-issued travel restrictions will be allowed to enter and compete at another event in the same week.
- After the Freeze Deadline, the lists will move as per normal until the withdrawal deadline on **Friday, 10AM, Eastern Time, USA** the week before the tournament

Vacancies before the Freeze Deadline at the Tour and Challenger level will be filled in the following manner:

- The highest-ranked player from the Main Draw (MDS Acceptance List Ranking) withdrawn due to government-imposed travel restrictions introduced after the entry deadline
- The highest-ranked player from the original main draw alternate list or players from the Tour Qualifying that were also entered on the Main Draw alternate list, withdrawn because of government-imposed travel restrictions introduced after the entry deadline
- Players may be moved to another tournament's Main Draw if there is a spot available because of withdrawals/ unused Special Exempt (SE) positions and if their ranking would have qualified them as a Direct Acceptance on the original entry list
- Players whose ranking would not have made them a Direct Acceptance at other Tournament in the same week will be added to the Main Draw/Qualifying Alternate Lists or the Reserve Acceptance* (RA) positions in the Qualifying.

***Reserve Acceptance (RA) started with tournaments closing for entry in the week of 22 February with three (3) Reserve Acceptances per event.**

SPECIAL EXEMPTS

- Special Exempts remain reserved for players that perform well in the previous week. However, any unused Special Exempt spots will be kept available for players that would need to switch from one tournament to another due to travel restrictions
- The criteria described above will fill out unused Special Exempts spots
