COVID-19 TESTING			
To travel: https://www.cdc.gov/coronavirus/2019-ncov/travelers/noncitizens-US-air-travel.html All travelers must be fully vaccinated with an accepted COVID-19 vaccine to travel to the USA. In addition, all travelers are required to show documentation of a negative viral test result taken within one (1) day of the flight's departure to the United States before boarding. If you recently recovered from COVID-19, you may instead travel with documentation of recovery from COVID-19 (i.e., your positive COVID-19 viral test result on a sample taken no more than 90 days before the flight's departure from a foreign country, and a letter from a licensed healthcare provider or a public health official stating that you were cleared to travel). *** PLEASE NOTE THE IMPORTANT INFORMATION BELOW *** Please note the following changes regarding new covid-19 protocols at Challenger Tournaments: The ATP will no longer test players/support team members at Challenger tournaments unless they become symptomatic. This includes players/PSTs who have not completed a full covid-19 vaccination schedule. Likewise, the requirement for a pre-competition test is no longer required. Please note local/national authorities may still mandate covid-19 testing for entry into a country or competing. The number of Player Support Team Members (PST) eligible to obtain an accreditation is strictly limited to two (2) per player. All PST members are subject to the same protocols as players.
