Please note the following <u>changes</u> regarding new covid-19 protocols at Challenger Tournaments:					
The ATP will no longer test players/support team members at Challenger tournaments unless they become symptomatic. This includes players/PSTs who have not completed a full covid-19 vaccination schedule. Likewise, the requirement for a pre-competition test is no longer required. Please note local/national authorities may still mandate covid-19 testing for entry into a country or competing.					
The number of Player Support Team Members (PST) eligible to obtain an accreditation is strictly limited to two (2) per player . All PST members are subject to the same protocols as players.					
IMPORTANT ADDITIONAL INFORMATION					
PLEASE NOTE: Border restrictions may apply . Before entering these events, all players should check with their local Consular service to confirm if they will be permitted to enter the country and if any special authorizations are required.
