COVID-19 TESTING			
To Travel: Please note travel requirements are subject to change/updates and you should continue to check the latest updates at the French Ministry website and with your Consulate. https://www.interieur.gouv.fr/covid-19-international-travel As of Feb 12 (i) For travelers vaccinated within the meaning of European regulations (i.e. last dose within 9 months or boosted), no more tests will be required on departure. Proof of a complete vaccination schedule becomes sufficient to arrive in France, regardless of the country of origin, as was the case before the distribution of the Omicron variant. Players + PST must complete a sworn statement certifying the absence of Covid-19 symptoms and of any contact with a confirmed case of Covid-19. (ii) For unvaccinated travelers, the obligation to present a negative test to travel to France remains, but the measures on arrival (test, isolation) are lifted when they come from countries on the “green” list, characterized by a moderate circulation of the virus. (iii) When unvaccinated travelers come from a country on the “orange” list, they must continue to present a compelling reason justifying the need for them to come to mainland France and may still be subject to a random test on arrival. From March 14, the French government will suspend the “vaccination pass”. It will no longer be necessary to present the pass in any of the places/venues where it was previously required. Vaccinations passes are still needed to enter any medical establishments (hospitals, clinics, etc...).			

Please note the following changes regarding new covid-19 protocols at Challenger Tournaments:

The number of Player Support Team Members (PST) eligible to obtain an accreditation is **strictly** limited to two (2) per player. All PST members are subject to the same protocols as players

As countries now gradually relax their covid-19 entry regulations, we advise you to check with your airline whether any documentation may be required before boarding.
