COVID-19 TESTING			
To Travel: Switzerland has lifted its border health measures. Currently no countries or areas with a variant of concern are listed. This means that there is no test or quarantine requirement at present for entering Switzerland, and that people entering do not have to fill out an entry (passenger locator) form. However, we strongly recommend using the interactive travel check tool which will provide you with information on your individual situation when entering Switzerland.			
All Players/PSTs are reminded to consult lists maintained by the Federal Office of Public Health and the State Secretariat for Migration to check their national status for entry.			
Vaccines authorised by Swissmedic and the European Medicines Agency are recognised as valid for 270 days. Holders of vaccines authorised by the WHO emergency list are eligible to apply for a Swiss COVID certificate.			
*** PLEASE NOTE THE IMPORTANT INFORMATION BELOW ***			
Please note the following changes regarding new covid-19 protocols at Challenger Tournaments:			
The ATP will no longer test players/support team members at Challenger tournaments unless they become symptomatic. This includes players/PSTs who have not completed a full covid-19 vaccination schedule. Likewise, the requirement for a pre-competition test is no longer required. Please note local/national authorities may still mandate covid-19 testing for entry into a country or competing.			
The number of Player Support Team Members (PST) eligible to obtain an accreditation is strictly limited to two (2) per player. All PST members are subject to the same protocols as players.			
IMPORTANT ADDITIONAL INFORMATION			
PLEASE NOTE: Border restrictions may apply. Before entering these events, all players should check with their local Consular service to confirm if they will be permitted to enter the country and if any special authorizations are required.
