FAQS

Q1: WHAT ARE THE ENTRY REQUIREMENTS FOR AUSTRALIA?

A1: For full details about entry requirements to travel to Australia, please read the [AO Summer Information Sheet](#). Tennis Australia will provide exemptions to enter Australia for fully vaccinated individuals. For assistance with visa paperwork, ATP can provide players with a copy of their 2022 travel insurance. Please contact: travelsupport@atptour.com.

Q2: WILL THERE BE SPECTATORS IN ATTENDANCE IN SYDNEY?

A2: The Sydney Tennis Classic is planning to have full capacity.

Q3: FROM WHICH DATE CAN PLAYERS PRACTICE?

A3: **Wednesday 29 December.** Once a player or PST member has been cleared by virtue of a negative PCR or RAT test, they will be permitted to access the courts for practice as well as the players' areas of the tournament site.

Q4: WHAT ARE THE DETAILS FOR TESTING?

A4: Everyone will need to have a PCR and a RAT test on arrival. Anyone travelling via Charter or commercial flight will be able to access testing at the Sheraton Hotel. From 28-31 December, testing times will be 6am-midnight. From January 1st to January 15th, testing times will be from 12noon-8pm. You must isolate in your hotel room until receiving a negative result. Currently, there is a requirement for a further test between Days 5 - 7. Clinics will be open at the hotel and venue from 12noon to 8pm.

Q5: WHAT IS THE PROTOCOL IN AUSTRALIA FOR PERSONS WHO HAVE A POSITIVE TEST RESULT AND IDENTIFIED CLOSE CONTACTS?

A5: *Please be advised that this is purely informative and is subject to change. Local health officials have the authority to decide the protocol to follow on each case.

Positive Test Result

If you test positive at any time, current Government rules are that you will be required to isolate for up to 10 days.

Close Contact

Close contacts are only required to isolate until they receive a negative PCR test. Tennis Australia are working closely with testing lab providers to ensure PCR tests can be processed as soon as possible to ensure any period of isolation is minimised.

Close contacts on flights will be limited to those within the two rows (in front, behind and beside) of a confirmed positive case and will only need to isolate until receiving a negative COVID-19 PCR test result. All other passengers will not be considered a close contact.

The only situation in which you would have to isolate for longer (7 days if fully vaccinated or 14 days if not vaccinated), is if you share accommodation with a person who tests positive (e.g. a hotel room or a house). Tennis Australia strongly recommend that you do not share rooms to avoid any potential close contact implications.

Q6: WHAT ARE THE NEW LIST MANAGEMENT PROCEDURES?

A6: Since February 2021 ATP has adjusted the List Management procedures for all Tour and Challenger level events due to an increase in government-imposed travel restrictions.

KEY INFORMATION

- Once the acceptance lists are finalised, lists will be frozen until **Tuesday, 12 Noon, Eastern Time, USA** the week before the tournament
- Any player that cannot enter the tournament's country by the Freeze Deadline because of government-issued travel restrictions will be allowed to enter and compete at another event in the same week.
- After the Freeze Deadline, the lists will move as per normal until the withdrawal deadline on **Friday, 10AM, Eastern Time, USA** the week before the tournament

Vacancies before the Freeze Deadline at the Tour and Challenger level will be filled in the following manner:

- The highest-ranked player from the Main Draw (MDS Acceptance List Ranking) withdrawn due to government-imposed travel restrictions introduced after the entry deadline
- The highest-ranked player from the original main draw alternate list or players from the Tour Qualifying that were also entered on the Main Draw alternate list, withdrawn because of government-imposed travel restrictions introduced after the entry deadline
- Players may be moved to another tournament's Main Draw if there is a spot available because of withdrawals/unused Special Exempt (SE) positions and if their ranking would have qualified them as a Direct Acceptance on the original entry list
- Players whose ranking would not have made them a Direct Acceptance at other Tournament in the same week will be added to the Main Draw/Qualifying Alternate Lists or the Reserve Acceptance* (RA) positions in the Qualifying

SPECIAL EXEMPTS

- Special Exempts remain reserved for players that perform well in the previous week. However, any unused Special Exempt spots will be kept available for players that would need to switch from one tournament to another due to travel restrictions
- The criteria described above will fill out unused Special Exempts spots
