RESERVATIONS & COMPLIMENTARY ACCOMMODATION
2023 NEW: All players must reserve their rooms via Tennis UNO (see link below) by the deadlines below. This requirement includes all players accepted into the Main and Qualifying Draws and all nights, including complimentary accommodation nights.
Player accepted into both Singles and Doubles events must comply with the deadline that occurs earlier.

Failure to make a reservation by the relevant deadline shall result in that player's automatic forfeiture of hotel accommodations for the tournament week.

Failure to CANCEL or CHANGE reservation (i.e. if arriving later than Complimentary Accommodation Start Date) by the relevant deadline shall result in that player's forfeiture of hotel accommodations for nights reserved but not used. In addition, the tournament shall have the right to charge the player at the official tournament hotel's published rate for each night he did not use the room.

A player still competing in either singles or doubles in the prior week's tournament must keep the tournament informed if his reservation(s) may change and confirm the final arrival date with the tournament when his travel plans are finalized.

As countries now gradually relax their covid-19 entry regulations, we advise you to check with your airline whether any documentation may be required before boarding.

The ATP will no longer test players/support team members at Challenger tournaments unless they become symptomatic. This includes players/PSTs who have not completed a full covid-19 vaccination schedule. Likewise, the requirement for a pre-competition test is no longer required. Please note local/national authorities may still mandate covid-19 testing for entry into a country or competing. **All PST members are subject to the same protocols as players.**

PLEASE NOTE: Border restrictions may apply.

Before entering this event, all players should check with their local Consular Service of ARGENTINA to confirm if they will be permitted to enter the country and if any special authorizations are required.
