COVID-19 INFORMATION

Click [HERE](#) for entry and travel requirements for INDIA

As countries now gradually relax their covid-19 entry regulations, we advise you to check with your airline whether any documentation may be required before boarding.

Currently it is mandatory for travellers from China, Japan, Hong Kong, South Korea and Thailand to do an Rt-PCR test and to complete the Air Suvidha form just before travel (more information in Visa section below)

The ATP will no longer test players/support team members at Challenger tournaments unless they become symptomatic. This includes players/PSTs who have not completed a full covid-19 vaccination schedule. Likewise, the requirement for a pre-competition test is no longer required. Please note local/national authorities may still mandate covid-19 testing for entry into a country or competing. **All PST members are subject to the same protocols as players.**
